

PRELIMINARY NOTICE

SURGICAL CONDITIONS OF THE LIVER: ASSESSMENT, MANAGEMENT AND OUTCOMES

OCTOBER 19 to 22, HYATT REGENCY COOLUM

ANZHPBA presents a multidisciplinary symposium with emphasis on surgical conditions of the liver.

The scientific committee has put together a comprehensive and balanced academic programme.

Leading specialists from around the world, and faculty from Australia and New Zealand will address:

- Evidence in Liver Surgery
- Pathology
- Advances in imaging
- Chemotherapy
- Techniques in Liver Surgery
- Laparoscopic Liver Surgery
- Management of colorectal liver mets
- Approaches to hepatocellular cancer
- Transplant
- Novel approaches to new problems

The conference will run over 4 days (Sunday to Wednesday) with each day consisting of 3 sessions over 5 hours. The conference is being held at the Hyatt Regency, Coolum, on Australia's beautiful Sunshine Coast Queensland. This symposium will be of great value to all practising HPB Surgeons, General Surgeons, Surgical Trainees, Gastroenterologists, and Oncologists.

International faculty consists of:

- Professor Markus Buechler, Heidelberg
- Mr Myrddin Rees, United Kingdom
- Professor James Garden, Edinburgh
- Dr Paul Greig, Toronto
- Dr Ibrahim Dagher, Paris
- Dr Nigel Hacking, United Kingdom

Please put these dates in your diaries now. More information will become available via www.anzhpba.com . Any questions please contact anzhpba@gmail.com
