

We invite all **registered HPBridge members** within the six HPB Bridge Groups to submit a one-page case proposal demonstrating:

- A complex HPB case (or short case series)
- Clear value added by HPBridge discussion (how input changed or strengthened management)
- Cross-regional collaboration and mentorship
- Adaptation to local context and resource environment
- Patient outcomes and lessons learned

Cases that involve major complications or mortality are eligible and encouraged when presented with clear learning points and reflective analysis.

Selected presenters will:

- Present live at the HPBridge session at the IHPBA World Congress 2026
- Receive travel grant support to attend the Congress
- Compete for recognition awards during the session
